Access Bars Class

What are the 'Bars'?

There are 32 points or bars on the head. Activating these points by lightly touching them and allowing the energy to flow through these bars releases the electrical charge that holds all the considerations, thoughts, beliefs, decisions, emotions or attitudes you have stored. After a bars session the worst thing that can happen is, you feel like you had a great massage, the best thing that can happen is, it can change your whole life.
